INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation* v. *The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees* v. *The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees* v. *The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than $1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determing the eligbility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records(filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

My name is Sibby A. Talley; I was born in Overton Co., Tenn. 1849; I claim my Indian blood through my father; I make no claim of Indian blood through my mother; my father's name was Samuel Demps: he was raised by a man by the name of Talley and took his name; my father got his Indian blood from his father, whose name was David Demps; I think my father was born in East Tenn. in1830; I do not know what county: I never saw my grandfather, David Demps: I do not know when or where he was born: I was about eleven or twelve years old when my father died; I am unable to trace my Indian ancestry father back than my grandfather, David Demps; ~~xxthxxIxxxxxxxxxxxxxx~~ I have heard that my father and grandfather lived among the Indians,but I do not know whether they lived as members of the tribe or not; both I and the ancestors through whom I claim are regarded as white people with an admixture of Indian blood; none of the ancestors through whom I claim were ever held as slaves; none of the ancestors through whom I claim ever had an Indian name that I know of; I do not know where my ancestors through whom I claim lived in 1835; in 1851 my parents resided in Overton Co., Tenn.; neither I nor any of the ancestors through whom I claim ever received any money or land and were never enrolled; I have heard from my father that my grandfather was a full blooded Cherokee Indian; in about 1893 I made some proof in regard to my Indian ancestry; my proof was satisfactory but my claim was filed too late and I never received any land/

Asheville, N. C. R. F. D. # 3.

May 20th, 1908.

Appl. # 37287.

Honorable Guion Miller, 1418.

Special Commissioner of Court of Claims,

Eastern Cherokee Enrollment,

#601 Ouray Bldg/Washington,D.C.

Dear Sir:

In reply to your favor of May 13, 1908, beg to say that my grandparents resided with the Cherokee Tribe a portion of their lives and died in Elajay, Geogia. My parents never resided with the Cherokee Tribe, but they visited the Cherokee Tribe in their Reservation and also the Cherokee Indians visited my parents at their home and also the home of the undersigned.

My grandparents were recognized as indians and my parents were recognized not full blooded indians but as mixed with whites and were regarded by indians, whites and negros in the community in which I lived as mixed blooded between whites and indians. This applicant has always been regarded by the negroes as mixed between the negro race and the indian race, but the general reputation is among the older residents in which I lived as being mixed between the white race and the indian race.

I have no knowledge as to whether or not the parent through whom I claim was ever enrolled in 1851 or not. I have talked with the indians with whom I have been acquainted and they have no knolwedge as to this fact. The parents through whom I clai, , from the best information I can obtain, from the indian tribe who personally knew them or kew of my grandparents say that in 1834-35 they lived with the Cherokee tribe in their reservation in North Carolina and North Geogia.

My grandparents were never slaves. My parent, on my mother's side was a portion of her life regarded as a slave by the white people and was under the control of the white people.

I have frequently visited the Cherokee Nation in North Carolina and they recognize me as being one of their tribe.

If you wish I will place the above statement under oath and forward them to the Department if you deem necessary, or if requested so to do.

Yours very truly,

Orjon "Rufus Wells"

I am 51 years of age; was born in Texas. I claim Cherokee Indian blood through my mother, Sina Ann Ridge. She was born and raised in Arkansas. I have never gotten any Indian money from the government and never tried for an allotment before the Dawes Commission. My mother never received any Indian money. I first heard of my Indian blood when I was a boy. I never saw my grandfather Ridge. He came from Alabama to Arkansas. with the Indians when they came. This was before my mother was born. I think my grandfather married in Arkansas. I have been in the territory 37 years. I went to the white schools. My mother did not speak the Indian language. She passed as a whit woman. She was one-quarter or one-eighth. My mother was the youngest child and there were three girls older than she. If my mother was living she would now be 70 years of age or more. My grandfather was married in Arkansas. He came with the Cherokees when they left the old country. I do not know why my mother never drew any money. She never tried to get any.

In reference to the distribution of the proceeds of the judgment of the Court of Claims of May 28th, 1906, in favor of the Eastern Cherokees, I have been consulted by Polly J. Vaughn, Claimant #37300, and by Ella B. Babb Claimant #37602, in reference to your letter of June 10th, 1909, addressed to Polly J. Vaughn, in which you state that her claim has been rejected.

The address of Polly J. Vaughn, according to your records, is Raymond, Illinois, but she has removed to and her present address is Dunnells, Iowa, where her said sister, Ella B. Babb, also resides.

These two sisters claim to be one-quarter blood, and their mother, Nancy C. Martin, whose address heretofore has been Irving, Illinois, and who is about eighty-one years of age, will remove to Dunnells, Iowa, this coming week.

I have not the claim number of this mother but understand that her application has also been rejected. It is represented to me that Susie Green intermarried with _____Smith, and that both were full blooded Eastern Cherokees. Among their children was Polly Smith who, as a full blood, married Thomas Neal. Among the children of the latter couple was Nancy C. Neal, who claims to be a half-blood and who intermarried with Anderson Martin. This

latter couple are both living and have six adult children, all of whom claim to be quarter blood Indians, and among whom are the two claimants first above named, and whose claims, as above stated, you report as having been rejected.

What I would very much like to know is the reasons that were presented and which were acted upon favorably which caused the rejection of the said claim numbers,-37300 and 37302, Or, if you cannot give me the desired information, will you kindly tell me to whom I may write therefor? These two sisters who called upon me certainly show their Indian blood in their faces, and their whole narrative is of such a nature as to at least prompt me to make a further investigation.

Whatever information you may be able to give me on the subject will be thoroughly appreciated. What would it cost for me to have your office furnish a copy of the proofs which were filed by said claimants?

Soliciting your early reply, I remain

Very respectfully yours,

J. W. Wallingford

Alice V. Snow being first duly sworn, deposes and says:

That I am 58 years of age and live in Little Rock, Ark. I have no Indian blood myself but am making claim for my two minor children. My husband claimed Indian blood. His name was Joshua B. Snow. His father claimed to be 1/2 Cherokee. His father's name was Obediah Snow. My husband was born in Benton, Ark. His father was born in Georgia, I think. He came to Saline Co., Ark. along about 1833 - 4 - 5 or 6. My husband did not live with the Indians as a member of the tribe. Don't know whether his father ever lived with the Indians as a member of the tribe. My husband talked the Cherokee language. My husband was not on any Indian rolls that I know of. His father was enrolled in the Cherokee Nation in 1835 under the name of Obediah Snow. Don't know whether Obediah Snow had any Indian name or not. He died when my husband was 8 years old and if he was living now (my husband) he would be 58 years old. Don't know Obediah Snow's parents. He was Indian and white. Don't know why he was not on any subsequent rolls. My husband never received anything from the government. He was recognized as a white man. My children are now recognized as white children. Don't know whether my husband ever applied to the Dawes Commission or not. My children never did.
Obediah Snow died in 1860.

Rec. DEC 12 1908
No. 37318

DEC 12 1908

Appl. #37318

May 11, 1908.

Rufus A. Roberts,
Bluebird, Texas.

Sir:

Relative to your application for participation in the Eastern Cherokee fund, please state whether you, your parents, or grandparents ever resided with the Cherokee tribe. If so, state when and where. Were you, your parents, and grandparents recognized as white people, Indians or negroes in the communities in which you and they have resided?

By was the parent through whom you claim not enrolled in 1851, and where was he or she residing in 1924-5, if living at that time? Were were your grandparents on their side through which you claim residing in 1924-25?

If your parents or grandparents were slaves, state whether slaves of Indians or white people.

Very respectfully,

Special Commissioner

CWB/EM

#37318 Miscel.

Rufus A. Roberts being first duly sworn in behalf of minors, deposes and says:

That I am 42 years of age. I have made application for my minor children who are claiming Indian descent through my wife. My wife died in 1898. She claimed through her father, Hodge Parish, and his father. Her mother was a white woman. Her grandfathers name was James or Jones Parish. Some called him James and some Jones; don't know which is correct. He was 1/2 Cherokee. He married a Gunter; don't know her given name, but she was either a daughter or granddaughter of Gunter, the chief. Don't know his first name. My wife's father was born in Georgia and partly raised there and in Alabama. He was about 61 or 62 years ~~ex~~ old when he died. Don't know when her grandfather died, but think he was living in 1851, and at Guntersville, Ala. Don't know whether Hodge Parish had any brothers or not. He had a sister named Kathrine who married Jim Gant. He had another sister named Eliza who married Tom Riggs, and he was a brother to my wife's mother. Jones or James Parish lived with the Indians as a member of the tribe near Guntersville, Ala. Hodge Parish lived among the Indians but don't think he had enough Indian blood to live with them as a member of the tribe and be recognized by them. Neither of the Parish - James or Hodge - came west. Don't know whether they were ever enrolled or not. Never heard of them receiving any land or money from the government. James Parish entered land there in Guntersville, Ala. but don't know how he got it. Think it was turned over to the Indians. ~~Xhmatx33xymaxxxgs~~ This is the first application I have ever made. My wife never made application to the Dawes Commission. I am a full blooded white man. J. R. Parish who is a brother of my wife, living at Jonesboro, Ark., has made application, I think.

My name is Martha W. Lawson, and I live near Melbourne, Ark. I claim my Indian blood through my mother, Sarah Shipman before she was married. She was 63 years old at the time of her death. She died out here in Izard County, Ark. Mother always told us that she was 1/4 Cherokee Indian. I have heard my sister, Fannie Kersey, say the same thing. We have one aunt living on the Shipman side. Liddie Presell, who lives at Zion ~~Hill~~, Ark. She is my half aunt, and I reckon that she got her Indian blood the same as my mother did. My grandfather was named Wm Shipman, and my grandmother, Margaret Hughes before she was married. My sister, Mrs. Kersey, thinks we get our Indian blood on my grandfather's side, and I think that we get it on my grandmother's side. I cannot say just how much Indian blood my grandparents had. Nor do I know where my grandparents lived or died.

Dear Madam;—

You will understand from this that your claim is recorded in book No. 7 and filed in the Court of Claims and numbered No. 37325 I take this method of informing all of my clients that their claim will be passed upon when all claims have been adjusted. There is no use to think about having any claim advanced, because they all must fare equally. I think, however, that the claim will be passed in October and I want you to remember that you will be paid with a Government warrant, and don't you take one cent less than its face value.

Think of it! Forty thousand have already been filed and it takes time to review all of these claims. Whenever the claim is passed you will be notified. It is useless to waste time and postage to enquire any further. I am more anxious for your claim to pass than you could possibly be. I have done every thing to win these cases that I could possibly do. You may think I have been slow, but when you take into consideration the thousands of claims that I have filed, you will see that it is no childs play. The citizenship claim will not be passed on until after Congress meets. The Eastern Cherokee money will be distributed first and I hope that every claim that I have filed will pass.

Yours Truly,

CLAIM AGENT.

Honorable James L. Gladen,

House of Representatives,

Washington, D. C.

Sir:

In response to your personal inquiry, relative to the application of Asa W. Mathews, of Crosvenor, Texas, I have the honor to report that this claim has not yet been reached for final consideration. It is, therefore, impossible to state what disposition will be made of the same.

If any further evidence is required the claimant, or his attorney, will be duly notified.

You are further advised that it is impossible to state, at the present time, when the money appropriated for the payment of this judgment will be distributed. It will first be necessary to have a complete enrollment of all those entitled to share in the fund, and to have this enrollment approved by the Court of Claims. Until this is done no money can be distributed.

There are more than 44,000 applications filed in this office, by claimants residing in all parts of the United States, and these applications will have to be examined, grouped in families, and in many instances testimony will have to be taken in the field before a decision can be reached as to the merits

SPECIAL COM. OF THE COURT OF CLAIMS,

Eastern Cherokee Enrollment,

601 Ouray Building, Waskington, D.C.

Gentlemen:

Yours of 13th to hand in re claim of William L. McNeeley #37331

Replying thereto will state that the grandparents of McNeeley did not reside with the Indians as Indians, but as white people: there were Indians living in the immediate community with them. This was in Pickens and Perry counties Ala. His Indian blood comes from one, Charlotte Watson, who was his great-grand mother. She was an Indian and resided with the Indians. When the Indians were driven from Ala. she was sent out with them and died, so the report goes, at Boggy, Okla. where she was registered with the rest of the Indians.

Do not know why she was not enrolled in 1851; probable dead at that time.

From the best information we have, Charlotte Watson was living in Perry county, Ala. in 1834-5. My grand-parents were living in same community: they were McNeeleys and Franklins.

Will state personally, as attorneys of these people, that our Mr. Treadwell, has known this man McNeeley and his relatives by name of Smith whose claims were all filed together, claiming under Charlotte Watson, for 25 years. They are white people but clearly have Indian blood in them. They have always asserted it and no one doubts in here. At the date of the death of their common ancestor, their records and papers became wet with rain and none of them being able to read, the papers were allowed to go to waste. About the only proof we will be able to make is to connect them with this Charlotte Watson whose name, they claim, is registered in records at Boggy, Okla.

This information will apply to claims, Nos. 38632, 36773, 36772, 36771 and 37331.

Yours very truly,

Treadwell & Tarver

Sir:

[illegible] relative to your application for participation in the Southern Cherokee Land, please state whether you, your parents, or grandparents were enrolled with the Cherokee Tribe. If so, state when and where. Are you, your parents, and grandparents recognized as white people, Indians or negroes in the communities in which you and they have resided?

Were the parents through whom you claim not enrolled in 1851, and where were they residing in 1906, if living at that time? Were your grandparents on the white rolls? Are you claiming in 1/8?

If your ancestors were alive, state whether they are living or dead.

Evidence

JUN 2 1908

CHR

Quinlan, Tex.,
May 27, 1918.

Mr. J. Miller
Washington, D. C.
Dear Sir:

(1) As to my claim: the Eastern Cherokee [illegible] (#3,340) just as I set it up. My great grandparent resided with the Cherokee Indians from 1818 to 1833 inclusive in the states of Ky. Tenn. and Ga. and they were with them some of the time. Some of us were recognized as white and some as Indians. We are at present recognized as white people.

(2) The parent through which I claim (was killed in 1831) can not say. I don't know whether you mean my father or the girl which my father's great grandfather married. If you mean my father he was not born of the girl she was dead. I believe [illegible] know that neither of them were living in 1834 35.

#37341 - 37340 Miscel.

Albert F. Mc Casland being first dulysworn, deposes and says:

That I am 52 years of age. I claim my Indian descent through my father; my mother is a white woman and my ~~ma~~ wife is a white woman. My father was born in Ky., I think. Don't know what county. He left there when he was small and went to Tennessee, somewhere near Chattanooga. My father was born in 1818. My father claimed his Indian descent through his father, James Mc Casland. My father was 1/4 Cherokee. When my father left Tenn., he went to Ala., and then to Ga., then back to Mobile, Ala., and from there to Texas in 1845. He lived and died in Texas - Hood Co. My grandfather died before my father came to Texas. Don't know whether he died in Ky. or Ala. Don't think he was living in 1835. My father never lived with the Indians as a member of the tribe, but he was there among the Indians in Nacodoges Co., Tex. I am recognized as a mixed blooded man. My father had no Indian name. My great grandfather married an Indian girl named Hogan. None of my relatives were on any Indian roll that I know of. This is the first application I ever made. My father had three brothers, A. J. Mc Casland, and J. A. F. Mc Casland, and Lafayette Mc Casland. This latter died when young. None of these are living. My aunts are all dead too.

Dora Langley being first duly sworn, deposes and says:

That I am 33 years of age and live in White Co., Ark. I claim my Indian descent through my mother; my father is a full blooded white man. My mother claimed to be 1/4 or 1/8 Cherokee. My mother's mother claimed to be Indian. Her name was Mahaley Bartlett. My mother's father was a white man. My mother was born and raised in Fulton Co., Ky. She was born in 1851. Her mother was born in Illinois, to the best of my knowledge. ~~Emily~~ ~~think she was raised there~~ I don't think that my mother or her mother ever lived with the Indians. My great grandfather, William Goins, was born in S. C. ~~Don't know anything~~ He died in Ky. a good while before the Civil War. My grandmother Bartlett died just after the War and she was 50 years old. My mother was recognized as part Indian. I am recognized as a white woman with some Indian blood. I always went to white schools and my children go to white schools. My great grandfather was enrolled, so I have been told. My mother nor her mother were never enrolled. Don't know what roll my great grandfather was on. Wm. Goin had no brothers and sisters that I know of. I suppose Wm. Goin lived with the Indians in Grainger Co., Tenn. He never came West. Don't think he was living in 1851. He started West from Illinois and got as far as Ky. and stopped there. Died there. Wm. J. Wiggs is my father He has no Indian blood himself but has applied for two of my minor brothers and sisters. All of my brothers and sisters and uncles and aunts have married white people.

Madam:

Relative to the application which you have filed for participation in the Eastern Cherokee fund, you have given us practically no information concerning your ancestry. Unless, therefore, you can furnish us with additional information, your claim cannot be further considered. The additional information is:

1. The names of your grandparents on both sides?
2. Why were you, your parents and your grandparents, never enrolled?
3. Were any of your ancestors slaves?

State clearly all your reasons for thinking that you are entitled to share in this fund.

An early reply will be appreciated.

Special Commissioner of Court of Claims,

Dear Sir:-

In reply to your letter of May 13, 1908, Appl. #37380 C.H.B., will try and answer your inquiries.

My Father, Harmon Hale Mayben, left the Cherokee tribe in White Co. near Sparta, Tennessee, between 1839 and 1841, and went to Indian Territory. He was married to a Cherokee before he left there. My father was a white man and my mother an Indian, and we were recognized as white people. My grandmother on my mother's side was a Cherokee Indian and was born and lived and died in the tribe in Tennessee.

I don't know whether my mother was enrolled or not in 1851, and she died in Fulton, Mississippi, in 1843. My mother was living with the tribe in Tennessee in White County in 1834 and 1835. My grandparent through whom I claim, was living in Tennessee in 1834 and 1835.

None of my parents or grandparents were slaves, and on my mother's side were all Cherokee Indians and my father and his ancestors were white people.

Hoping this will prove satisfactory, I am,

Yours respectfully,

Susan E. Stewart

Elijah T. Sanders, after being first duly sworn, deposes and says:

I am 48 years of age; was born in Arkansas, Hempstone County. I claim Cherokee Indian blood through my father. He was born in Tennessee, ~~XXXXXXXXXXXXXXXXXXXX~~ Close to Nashville I think. I have never gotten any Indian money from the government and never tried to get any prior to this time. I never tried for an allotment. My father never got any Indian money from the government. I have seen my grandfather on my father's side. He was the Indian and lived in Hempstone County, Ark. when I saw him. He moved to ~~XXXXXXXXXXXXX~~ Arkansas from Tennessee a good while before I was born. I think my father was a young man when he came to Ark. My father did not live with the Indians after he came to Arkansas. I think he may have lived with them in Tennessee. I first heard of my Indian blood when I was about 8 years of age. That is one of the first things I can recollect. My father and grandfather were voters in Arkansas. My father went to the white schools.
